Series 2003 Bonds are refunded bonds that were used in the construction of the Intermediate School.

Series 2005 Bonds have been refunded. They are now Series 2013. These bonds were used to make renovations and to add classrooms at campuses. The Primary School's renovations and new classrooms were from these bonds. The new classrooms at the Intermediate School are from these bonds. The new classrooms and the renovations at the High School are from these bonds. These bonds also provided the new practice gym, dressing rooms, and weight rooms at the Middle School. These bonds also provided funding for the new transportation facility.

Series 2007 Bonds provided funding for the E.L. Kirk Gymnasium, dressing rooms, and field house.
